In computing gross receipts under this section there may be deducted the amount of gross receipts which has been the measure of a license tax paid to any other city.

In any case where a licensee or an applicant for a license believes that the individual business is not assigned to the proper classification under this section because of circumstances peculiar to it, as distinguished from other businesses of the same kind, it may apply to the Director of Finance for reclassification. Such application shall contain such information as the Director of Finance may deem necessary and require in order to determine whether the applicant's individual business is properly classified. The Director of Finance shall then conduct an investigation and then shall assign the applicant's individual business to the classification shown to be proper on the basis of such investigation.

Information on the following "Flat Rate" classification may be secured at the City Hall:

- Advertising
- Amusements
- Fortune Telling etc.
- Directories
- Finance Companies etc.
